

WELCOME TO OUR Newsletter

Dear NL Jobs employee,

✦
Rita Kostwinder
DIRECTOR

We proudly introduce our newsletter, especially for you!

From now on you will have the opportunity to provide input and share stories. Do you have an interesting project, a colleague who needs to be put in the spotlight, or a fun fact about your job? Let us know!

But first let me introduce myself; Who am I

My name is Rita and as director I am responsible for NL Jobs. For you, this means that I work every day to arrange things as best as possible for you, for our customers and of course also for our colleagues in the office.

I also lived abroad for 8 years and experienced what it is like to leave your familiar environment behind. Sometimes that is not easy, but I have also experienced that if you open yourself up to meeting new people, learning new customs and also making the language your own, you leave richer than you came (and I'm not talking about money 😊). I learned a lot about how to cope in a different culture, how quickly you can make friends and how you can do fun things together. That certainly makes up for the loss of the home front.

DIRECTOR

And this newsletter should also help you feel at home at NL Jobs and in the Netherlands. That is why we would like to know what you want to read and what you are curious about.

Together we create an inspiring and informative bulletin that is packed with news and anecdotes that connect us all.

In any case, I would like to thank you for your efforts. And I look forward to your input on whatever you are curious about.

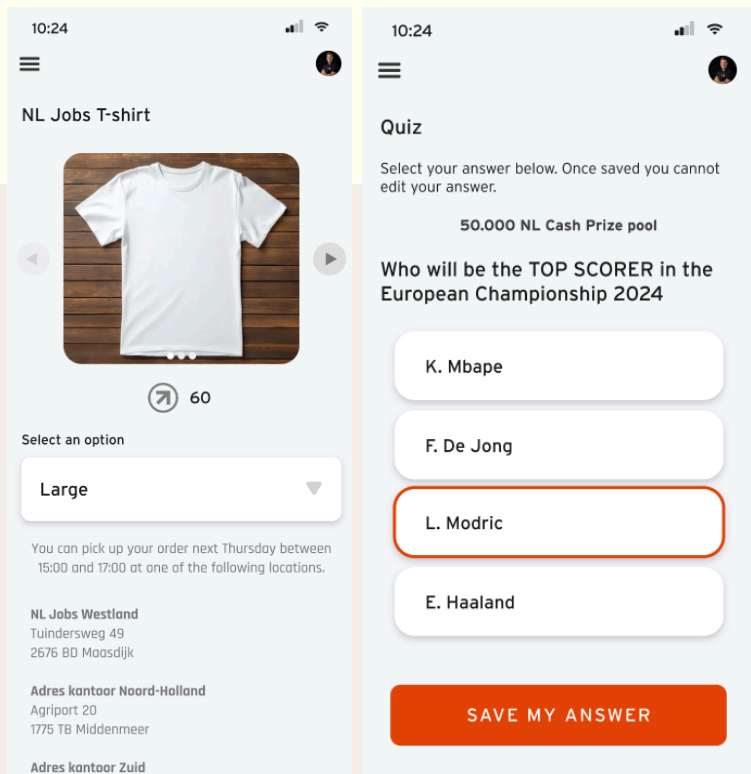

Yours sincerely,

Rita

OUR SOCIAL STARS FROM NORTH & SOUTH

We started a special cooperation with David and Angelo a few months ago. David is 41 years old, originally from Turkey and working at Lans. Angello is 27, born and raised in Romania and working at Agrocare. Both guys frequently post their adventures in the Netherlands (work and private related). This helps us to reach more people and show what working with NL Jobs looks like.

We are really happy with the nice content David and Angello creating!
